

## Application Notes for Benenden Art Fair

4-6 October 2024

Benenden Village Hall, Benenden, Kent

Please consider the following before beginning your application:

- Each application is reviewed by all selection committee members, who carefully consider submitted materials.
- The application deadline is 26 April 2024. All applicants will be notified after applications close (from April to May 2024).
- Applications must be completed in one sitting, so we highly recommend making sure you start the application when you can take the time to complete it in full.
- Prepare to upload image files of four (4) artworks that are similar in style, medium, price, and size to the work you wish to exhibit at the Fair. Files will need to be .jpg and under 5MB.
- You must complete an application for each year you are interested in participating in.
- Questions marked with an asterisk (\*) are mandatory. For all other questions, if you do not wish to answer, simply leave the box blank and move on to the next question.
- All successful applicants must commit to attending the fair in person to represent their own work. A 50% deposit is required to confirm participation, and 100% of booth fees are due in advance of the fair.

If successful, you will be contacted with an offer to exhibit. Your Fair Package will include:
